

School Bay situated on the shores of Lake Puula, one of the most beautiful parts of in the Finnish lake district, is FOR SALE.

The quietness of the countryside is everywhere around the property although the busy centre of Kangasniemi is only 8 kilometres away.

The magnificent lake entices those who want to row or canoe and the wilds of the surrounding forests to hike. The house has had international and local clients for many years, organised courses, concerts and other events and continues to do so.

These lively and interesting activities have now been going on for 10 years.

More detailed information is available from:
